

Governor's Visit Report Form

Name of Governor: Steven Hutton	Link Area: Year 1 Governor	Date of visit: 28th April 2023
Member of Staff: Mr Edwards		
Objectives of visit: 1. Enhance knowledge of the school 2. View teaching and learning in action in my link class 3.		
Brief Notes: The day started with some time spent in the playground, followed by an interesting update chat with Miss Lightfoot on current matters/issues. I then moved into my link class who were in the process of completing their writing project work. I assisted Mr Edwards with some of his pupils in completing this project. I spent breaktime getting to know Mr Edwards a little more before the post-break lesson of working with the children in the first part of their journey of learning times-tables by counting symbols/objects in columns and rows. The children were all very welcoming, friendly and polite throughout my visit and I was impressed with their behaviour and general attitude to learning. I spent lunchtime with some of the pupils in the dining room and sampling the food that I found to be of a reasonable standard. Regrettably I then had to leave to return to work but look forward to the next opportunity to be onsite at the school.		
Signature of visiting Governor: Steven Hutton		
Date: 11/05/23
