

Governor Visit Report Form

Name: Pete Bell	Date/s: 13.05.2024
Focus of visit • Safeguarding	Classes/staff visited: Y2 and Y5
Summary of activities e.g. talking to staff and pupils, looking at resources, had lunch etc. Talking to pupils to gauge their understanding of issues such as bullying, who to turn to for help, keeping safe, their feelings about Austhorpe and any issues they wanted to discuss. Also completed LEA face to face training update on safeguarding, and had lunch. Questioned DSL's about their roles.	
What have I learned as a result of my visit? I have learned that safeguarding is given top priority and that staff are regularly updating their training to know how to identify issues and to follow correct procedures.	Positive comments about the visit A great opportunity to gain a deeper appreciation of how safeguarding is a key issue at Austhorpe and that all the pupils spoken to felt safe in school, but would know what to do and who to speak to if they had any concerns.
Aspects I would like clarified/questions that I have: NONE	
Ideas for future visits: Perhaps attend school council meeting to gather views of pupils across the school.	
Any other comments: An illuminating and informative day and a good opportunity to watch lessons, talk to the pupils, and engage in high quality safeguarding training.	
Signed: Pete Bell (Governor)
