Summary of activities e.g. talking to staff and pupils, looking at resources, had lunch etc. <p>In the morning, walked with Year 5 to their weekly tennis class, providing an opportunity to ask children about bullying, on-line safety, how school helps them to be safe, etc. whilst observing their behaviour.</p> <p>Face-to-face governor training with LCC Education Safeguarding team. Looking at safeguarding and the responsibilities of governing bodies and proprietors.</p>	
What have I learned as a result of my visit? <p>Learning and understanding more about child protection, guidance and legislation, strategic roles and responsibilities, key updates, safe culture and policy updates and practice.</p>	Positive comments about the visit <p>A 2-hour safeguarding workshop provided a fantastic insight and refresher into safeguarding in school and our local community.</p> <p>Complimented the theme of the visit, 'bullying' perfectly.</p>
Aspects I would like clarified/questions that I have: <p>All clearly understood.</p>	
Ideas for future visits: <p>More of the same, coupling governor days with a training intervention provides a perfect opportunity to be in and around school, learning about a specific topic, while seeing it in practice.</p>	
Any other comments: <p>A thoroughly enjoyable, constructive, and thought-provoking day.</p>	
Signed: Nick Mooring (Governor)
